Dear Parent/Carer

## **Sixth Form Parents' Evening**

You are invited to attend the Sixth Form Parents' Evening with your son/daughter; this will take place on Thursday 14th December 2023 from 4.00-7.00pm. We encourage all parents to take advantage of the opportunity to meet in person with your child's teachers, working in partnership to prepare students for their A level and vocational assessments.

During this event you will be provided with feedback on your child's performance, the actions that they need to take over the coming weeks and the support provided to ensure that your child is on track to reach their full potential. We strongly encourage students to attend the evening too as it is an opportunity for us both to congratulate them on their progress and provide feedback on what they need to do to achieve or exceed their target grades.

You will need to make appointments online via SchoolCloud where you will have 7 minute appointments available. We know how frustrating it can be to queue to see teachers on the evening so we will strictly adhere to the 7 minute appointment times (as we did when we were online). Please understand that this is not our staff being rude, but we want to ensure that your time on the evening is well spent and that all parents have the valuable time they expect on the evening.

Please visit <https://glossopdale.schoolcloud.co.uk/> or click the link [here](#) to book your appointments. You can find guidance on how to add appointments [here](#) . We are opening up the appointments today so you are able to book them now. Please cancel appointments if you are not able to attend as there will be a waiting list for some teachers.
