FOR PARENTS OF POSSIBLE CLOSE CONTACTS OF COVID 19 at Glossopdale School

Dear Parent or Carer of

We have been made aware that we have a confirmed positive case of coronavirus (COVID-19) at Glossopdale School with a child in Year 7.

We have followed the national guidance and have identified that your child **may have** been in close contact with the affected child. In the interests of safety, we are asking you to keep your child home until we have had the opportunity to fully investigate. This is likely to take a few hours and we should be in a position to let you know by the end of Monday.

If your child needs to self-isolate, we will let you know. We advise that, while we fully investigate, your child remains at home and does not risk passing on the virus to anybody else.

Many thanks for your support at this time.

Yours sincerely,

Mrs D McGloin
Headteacher
